Chairman's Corner

Welcome to Western Suburbs who today play our Liquid IT Men's First Team and Waterside Karori who play our Powerex Women's First Team, as well as to all of the loyal supporters that have come to support their teams.

This is the penultimate home game for our two premier teams as they strive to finish the season on a high.

Our Liquid IT Men's Firsts suffered a late 1-0 loss to Napier City Rovers in our last game – having created so many chances and after some fantastic saves from our up-and-coming goalkeeper Ethan Claridge. But to the dismay of our massive Old Timers' Day crowd, they conceded a goal in the 95th minute.

We are very proud of our boys for putting up a great fight against the odds – hoping we see more of that great work rate and passion for the club today.

Our Powerex Women's Firsts also had a tight 1-0 loss against Wellington United Diamonds in their last home game – fighting to the end and showing so much spirit. A win today would put them in a good position to secure fourth place in a very competitive league.

It was a fabulous Old Timers' Day two weeks ago with so many legendary faces from the past coming to enjoy our fantastic club atmosphere. Thanks to Craig Deadmen for organising the day and congratulations to the winners of our U19 raffle. There was also a great turnout of our valued club sponsors as we invited them to show our appreciation for their support of our club. The First Team Horsie Night was a further nice, and well supported, add on to the evening.

This weekend our four masters teams have a break due to the school holidays – and from what I hear this is very timely as the last third of the season is tough for these older fellas as fatigue and injury-prone muscles give up. As a case in point, the previously-unbeaten Left Over Stews in Masters 4 got thrashed 6-0 – so those boys in particular need the break to recharge.

PLEASE SUPPORT OUR SPONSORS.

Without our sponsors we would not be in the lucky position that we are as a community-based club. Please make yourself aware of our sponsors and send them your business wherever possible.

Good luck everybody – play hard and fair for your club this weekend.

Update on U17 TDP

A disappointing 2-2 draw against Upper Hutt in Matchday 12 saw the U17 Talent Development Programme (TDP) Team slide from fourth place to seventh in the ten-team league. Minutes away from a 2-1 win to close the gap on third to three points, the late equaliser conceded has allowed some teams to leapfrog us on the table.

The result was disappointing, but not undeserved. Both our performance and attitude levels were not at the standard we have come to expect – a standard of expectations that we have consistently raised throughout the year. Thankfully, these attitude slips are less and less common – although this one serves as a reminder to the whole group about the improvements we still need to make.

A few weeks ago we revisited the goals we had set as a group at the start of the season. At the halfway point in the league, we have already managed to achieve five of those eight goals. This speaks volumes to the progression of this group throughout the year and for those involved in last year's programme it represents a big leap forwards from 2020. We've revised those goals and set some new ones for the remainder of the season, and while they are optimistic ones, Sefa Mamea-Hind and I are keen to see how the group continues to work towards them.

In the youth space, improvements are best measured through performance. Sefa and I are very pleased with the progression of the players in our programme, and it's showing in the improving performances as a team. Our team identity is more consistently starting to shine through in our play, predicated on high-intensity pressing and fluidity in possession. Results are a good barometer to measure improvement, though – and a case in point is our 1-1 draw against Western Suburbs Red (Olé Academy), where we were the first and only team so far to take points off the league leaders.

Each week we are solving pieces of the puzzle and I feel that our best performances are yet to come. As a team, we'll continue to aim towards a top-four finish. Sefa and I will be working closely with the players to help progress their individual goals too.

Shirt Sponsorship

As part of our club's supporters' package, sponsors have the opportunity to advertise on the back of player shirts in both the Petone FC Liquid IT Men's First Team and Powerex Women's First Team. These much-appreciated financial supporters are also named a matchday sponsor for one game per year, in which their business and the players proudly wearing their shirts will be profiled in the following pages of this programme. Hospitality will be provided to the sponsor at that game and, additionally, framed pictures will feature in the club stairwell throughout the season. Any businesses who may be interested in this opportunity – or any club members who may have potential contacts – please advise club chairman Matt Bliss chairman@petonefootball.org.nz.

This weekend's featured sponsors are Sprig & Fern and Mag & Turbo whose brands appear respectively on the shirts of Seth Loughran and Chartlotte Smith, and Ryan McGarry and Caitlin Hendry. Please read on to learn more about these valued business partners as well as those players via profile questions.

Sprig & Fern Petone

If you had to choose a sport other than football, what would it be and why?

Cricket, as I have played since a young age and enjoy the camaraderie it presents, much like football.

Most memorable match you have played in?

The final game of the 2020 season, where we lifted the trophy for the “Ressies” after a fantastic season.

Most memorable match you have watched?

West Ham vs Middlesbrough at the Olympic Stadium.

Who is your favourite team in any other league?

Middlesbrough, as my Dad was born there and I grew up watching them.

What do you love about Petone FC?

I've played at Petone since I was four years old – the long-lasting friendships and family I have obtained through the football club are extremely influential on both who I am as a player and a person. So my answer would be the family feel the club provides.

What instrument do you or would you like to play?

I do not play one but the drums would be cool to learn!

Favourite food?

Chicken fettuccine.

Messi or Ronaldo?

Messi for sure.

Do you have any non-sport-related hobbies?

I love to spend time with family and friends outside of sport or university.

When travel restrictions are lifted, what country would you most like to visit and why?

I would love to visit Greece, as I was supposed to visit in early March last year but was disrupted due to COVID.

Charlotte Smith

If you had to choose a sport other than football, what would it be and why?

Volleyball.

Most memorable match you have played in?

High school finals.

Most memorable match you have watched?

Can't remember! They are all very exciting.

Who is your favourite team in any other league?

Don't really have a favourite.

What do you love about Petone FC?

I love the atmosphere and all of the people are fun.

What instrument do you or would you like to play?

Maybe the guitar. I'm not that musical.

Favourite food?

Steak.

Messi or Ronaldo?

Ronaldo.

Do you have any non-sport-related hobbies?

I love just relaxing and going on adventures.

When travel restrictions are lifted, what country would you most like to visit and why?

Greece, because I want to.

Ryan McGarry

If you had to choose a sport other than football, what would it be and why?

I've just started getting into a bit of golf. My flatmates are good players so they've been showing me how it's done.

Most memorable match you have played in?

My club down south is Mosgiel AFC and I played in our centennial match in 2013. We had an inexperienced side but managed to get a draw against a strong Caversham team (with the likes of Tom Jackson). It was memorable because of the occasion, but also playing alongside my old man Michael.

Most memorable match you have watched?

2005 FA Cup Final. Manchester United lost on penalties to Arsenal. I remember having just got a United shirt as a present and being so upset that we lost.

Who is your favourite team in any other league?

Manchester United.

What do you love about Petone FC?

This is my fourth season at Petone and I don't think I could ever go anywhere else. We have some very dedicated people behind the scenes that do a great job of running the club. It's great to see so many talented young players making their way through our senior squads. It really is a great bunch of guys that get on well too.

What instrument do you or would you like to play?

None!

Favourite food?

Any home-cooked meal my mum makes when I visit home!

Messi or Ronaldo?

I watched a lot more of Ronaldo growing up so ill go with him. Messi's not bad though.

Do you have any non-sport-related hobbies?

A big music fan, I really enjoy collecting vinyl of all sorts of genres. Love a good book too.

When travel restrictions are lifted, what country would you most like to visit and why?

Got back from Europe last year so I'd like to explore a bit more of Asia. Japan first I think.

Caitlin Hendry

If you had to choose a sport other than football, what would it be and why?

No idea.

Most memorable match you have played in?

When we lost 5-0 in our W-League play-off and I got sent off when my dad was arguing and wouldn't move from behind the goal on a penalty.

Who is your favourite team in any other league?

The Dreamers or Paris Saint-Germain.

Settler Q&A – Donna Revell

Former Women's First Team goalkeeper Donna Revell, who also has a strong family association with the club, is the focus of this edition's Settler Q&A.

Do you recall when you first started playing football and any memories from that game/time?

My family had been involved with the club for a number of years, with my brother playing from about five years old and the rest of the family always dragged along to watch! Back in those early days girls didn't really play football, so it wasn't till about 1982-1983 I began playing, only because Mary Agent (as she was then) told me she started late in life too and that I should get involved. No-one argued with Mary, so I joined! Peter Bennie [former Petone Men's First Team player] was my first-ever coach, and despite watching the game for years, I had no clue what to do, and when I asked he just pointed and said "kick the ball as hard as you can that way"!!!

Women's First Team 1993

How long were you in senior football before your First Team debut, what was your age and how did that go?

Women's football back then was quite different; you went up and down between "serious" and "not so serious" teams, it was maybe more social back then.

With the Kelly Cup 1993

If not covered off already, when did you join Petone and why?

Guessing 1982-1983, when 22 or 23 years old – Mary Agent made me!

What were your main position(s) and what attracted you to those?

I played in goal, because Gail Smith hurt her hand warming up before a game one day, and I'd played netball, so I must know how to catch a ball? I stayed there forever more.

Potted Donna Revell Stats/Achievements

- alas, no official playing records are available for Donna – many years of women's football were not recorded – but her own memory is of commencing playing for Petone FC in 1982-1983
- Women's Management Committee 1984-1986, 1989 and possibly other years
- Women's club captain 1991-1993
- Second Team Most Improved Player 1983
- Third Team Most Improved Player 1985
- Women's Most Improved Player 1991
- Women's Best & Fairest 1993
- Donna was goalkeeper in the 1993 team that won the Kelly Cup and came runners-up in Women's Premier – this team included the following five New Zealand internationals:
 - Pauline Sullivan 1982-1989 (1986 while at Petone)
 - Wendi Henderson 1987-2008 (1993-1996 while at Petone)
 - Cinnamon Chaney 1987-1995 (1993-1996 while at Petone)
 - Maureen Jacobson 1980-1997 (1993-1997 while at Petone)
 - Sasha Haskell 1994-1998 (1994-1997 while at Petone)
- Executive Cup Runners-Up 1998

Information kindly supplied by Ray Bell

Career highlights?

Many highlights but a couple or three that stand out are:

- winning the league, First Division, when Robbie McLean coached us in the early 1990s – and Janice Lockwood scoring the winner from halfway. Awesome night in the clubrooms that night!
- being in the first-ever Petone team to win a Kelly Cup, 1993. Oh yeah, another awesome night in the clubrooms!!!

Petone Centenary Parade 1988

the excitement of coming runners-up in 1998 in the competition below the Kelly Cup, the Executive Cup, when we only lost 1-0 to a team a couple of divisions above us. On reading over our little plaque trophies, we noticed that we'd actually played in the Executive Cup! We were obviously so lowly that we didn't even get spell-checked!!!

[Ed – perhaps the plaque also displaying Wellington Soccer “Ass” was quite apt in this particular case!?!]

What other roles have you had in the club over the years?

Over the years I've been on committees, run the bar and kitchen, coached and various other things, but one memory is from back in the late 1980s, a group

Women's Third Team in 1985 (sister, Sandi McCann, is in the back row)

of us women used to cook dinners for the Men's First and Second Teams in the clubrooms every Thursday night after their trainings. I also recall propping up the bar on a fair few occasions!.

Have other family members played for/had any involvement in the club?

My husband, Greg Revell, is still the most capped goalkeeper for our club. Our son, Mark, played through the years and my sister, Sandi, played way back in the days when we were coached by Misters Greg Revell and Duane Smith.

Lastly, any final thoughts on what Petone FC has meant to you and your family?

Petone FC has been a massive part of my life for well over 40 years. I have so many friends (of all ages) from the club, that are still important to me now. Even if you go away for any length of time, it's always awesome to come "home".

Petone FC Clubrooms History

In the club's very early days, the Management Committee held its meetings in the St Augustine's Church vestry. Thereafter, for most of the first half of the 20th Century, meetings were usually held in one of the rooms under the grandstand at the Petone Recreation Ground.

With the move to Memorial Park in 1961, the club began to think seriously about building its own facilities. In 1965 a subcommittee was convened to raise funds for building a gymnasium. Debentures were issued to club members to help finance the proposed building. Income from the Hilton-Petone Tournament, at that stage a post-season competition, also contributed.

In 1966, in the programme for the post-season Hilton-Petone Tournament, the club published a sketch of the planned new gymnasium to be built in the car park at the east end of the changing block and grandstand.

In April 1968, when the new gymnasium was opened, it varied from the initial sketch in that the new building was not connected to the changing block and grandstand.

In 1976 the club established a land lease with the Hutt City Council, for the land the gymnasium is now on. This allowed the club to use the gymnasium building as security for a bank loan to help build new clubrooms.

In July of that year the new clubrooms were officially opened. They were built inside the gymnasium, taking about one-quarter of the space. They comprised the lounge upstairs, with an office, chiller, tuck shop and storage downstairs.

In 1989 the clubrooms were extended further into the gymnasium, with the upstairs lounge enlarged and the "junior" room and more storage added downstairs.

In 1991 the balcony was added to the outside of the lounge, overlooking the No 1 ground.

The clubrooms have undergone several refurbishments, inside and out, since the original opening.

In 2011 a set of honours boards was installed on the clubroom walls. There is one board for centurions, one for Hilton-Petone Tournament winners and a main board. That main board lists Life Members, presidents, national representatives and the club's championship and tournament wins.

In 2014 the clubroom lounge was named The John Bradbury Lounge to recognise JB's lifetime contribution to the club.

A Brief History

Formed in 1898, Petone FC is one of the oldest football clubs in New Zealand and is the longest-surviving in our original form – non-amalgamated – in Wellington.

- Chatham Cup semifinalists – 1994
- Chatham Cup quarterfinalists – 1995
- Junior National Cup (New Zealand U18) winners – 1979
- National Youth Championship (New Zealand U19) winners – 2008
- annual Wellington preseason tournament (progressively known as the Hilton-Petone Cup) winners – 1956, 1985, 2000, 2003, 2007, 2010 and 2013
- Central League Premier Division winners – 1990
- Capital Federation Premier League winners – 2006, 2007 and 2019
- Women's Central League winners – 1994, 1995, 1996, 1997 and 1998

Petone FC also finished runners-up in the Central League Premier Division in 1992, 1996 and 2008 as well as the Capital Federation Premier League in 2005, 2017 and 2018.

The club organises the annual preseason Hilton-Petone Cup tournament which, since 1955, has attracted an almost maximum number of entries from clubs in the Wellington region and which is an established part of the local football scene.
